Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

(Doris Beier)

ZEITOUN

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Zeitoun, Dave Eggers, Dave Eggers' Zeitoun is the winner of the American Book Award and the LA Times Book Award. In August 2005, as Hurricane Katrina blew in, the city of New Orleans has been abandoned by most citizens. But resident Abdulrahman Zeitoun, though his wife and family had gone, refused to leave. For days he traversed an apocalyptic landscape of flooded streets by canoe. But eventually he came to the attention of those 'guarding' this drowned city. Only then did Zeitoun's nightmare really begin. Zeitoun is the powerful, ultimately uplifting true story of one man's courage when confronted with an awesome force of nature followed by more troubling human oppression. "Eggers uses Zeitoun's eyes to report on America's reasonless post-Katrina world, Reminiscent of Gabriel Garcia Marquez's documentaries, this is a true story told with the skills of a master of fiction. Immensely readable." (Independent). "Masterly. Brilliantly crafted, powerfully written and deftly reported." (Guardian). "The stuff of great narrative non-fiction. Fifty years from now, when people want to know what happened to this once-great city, they will be talking about a family named Zeitoun." (The New York Times Book Review).
