

After McDonaldization: How Not to Do Church

Filesize: 2.13 MB

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Aliya Franecki)

AFTER MCDONALDIZATION: HOW NOT TO DO CHURCH

Darton, Longman & Todd Ltd. Paperback. Book Condition: new. BRAND NEW, After McDonaldization: How Not to Do Church, John W. Drane, The decline in church attendance continues in the US and Europe, yet increasing numbers of people are turning to 'spirituality'; the continuing impact of globalization and consumerism has been joined by a post-9/11 culture of fear and a search for truth. In this sequel to the hugely influential The McDonaldization of the Church, John Drane considers what must come next for the Church. He presents the case for a more 'practical theology', a reinvigorated style of ministry and the restatement of classic Christian beliefs for the 21st century; not just as 'things to believe' but 'values to live by'.
