Picture Study in Elementary Schools, Vol. 1: A Manual for Teachers (Classic Reprint) (Paperback)

By Lucy Langdon Williams Wilson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Picture Study in Elementary Schools, Vol. 1: A Manual for Teachers Bare white walls, blackboards, maps, a calendar, - for years this has been the schoolroom. Art has no place here. Much attention has been given to drawing, it is true, but it has been for the most part juiceless drawing - cones and cylinders, prisms and vases. Small wonder that wooden drawing has resulted from the incessant study of these wooden forms. Now all has been changed. Tinted walls adorned with reproductions of great pictures, casts of famous statuary, are the order of the day. The windows are filled with living plants and perhaps an aquarium. Drawing and color study of natural objects have supplanted to a great extent the painfully exact drawing of the geometric solids. The result of all this is that the child is more nearly in a proper environment than ever before. But this environment is a new world. For it he needs an interpreter. To help the busy teacher to be a leader toward this new Palace Beautiful and a...

Reviews

Extensive guideline! Its this kind of good go through. Yes, it really is play, continue to an interesting and amazing literature. I am just pleased to inform you that this is basically the greatest book we have go through inside my own life and could be he greatest pdf for possibly.

-- **Madison Armstrong**

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
