COACHING THE NEXT GENERATION: 52 WAYS TO UNLEASH GOD-GIVEN POTENTIAL (PAPERBACK)

Timothy Publishing Services, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Coaching the Next Generation is an essential read for anyone who is on a quest for newer more effective discipleship models. Written by coach trainer and practitioner John Chasteen, the book introduces you to the emerging method of discipleship coaching. The book is divided into seven major divisions with 52 short chapters, each one filled with concisely worded advice, teaching, and instruction. Chiefly, the book introduces the reader to the basic coaching skills needed to reach a contemporary society. Skills like: active listening, asking powerful questions, intuitive listening, along with other commonly practiced techniques. The book can be read sequentially chapter-by-chapter, or perused as a coaching devotional. Each chapter in itself is a complete nugget. The book also addresses the all-important topic of God-given potential and how it relates to one's life purpose. It helps dispel the illusive nature of life purpose and moves the reader forward in the discovery process. The book is a must read for all those desiring to work with next generation leaders.
