Brand New Book ***** Print on Demand *****.Are you ready for a new way to learn the alphabet? This isn't your average A B C s. Those of you who remember, She sells seashells by the seashore, will enjoy this book immensely. A twist has been added to the basic A is for apple that will make learning the alphabet crazy fun. Alliteration has been used for each letter of the alphabet. Alliteration is the repetition of initial consonant sounds in two or more neighboring words. According to UNESCO Endangered Languages it is estimated that, if nothing is done, half of 6,000 plus languages spoken today will disappear by the end of this century. With the disappearance of unwritten and undocumented languages, humanity would lose not only a cultural wealth but also important ancestral knowledge embedded, in particular, in indigenous languages. Navajo has more speakers than any other Native American language north of the U.S. - Mexico border. There are between 120,000 and 171,000 speakers. The decline of children learning the language renders Navajo an endangered language. In 1981, about 85 of the Navajo child population spoke Navajo as their first language. A more recent survey shows that has fallen to 25 . The Navajo Code Talkers, a small band of warriors who created an unbreakable code from the ancient language of their people, played a pivotal role in saving countless lives and hastening the end of WWII. At a time when America's best cryptographers were falling short, these modest shepherders and farmers were able to fashion the most ingenious and successful code in military history. It is the only unbroken code in modern military history. Widely acknowledged to be...
