Brand New Book ***** Print on Demand *****.Genesis - Creation Mystery Tour is another in a series of Bible Mystery Tour booklets that take the reader deep into the mysteries of God and draw the reader into a deeper relationship with God, providing a better understanding of His Word. Understanding the mysteries in the Book of Genesis is foundational to one's understanding of every other book in the Bible. By far the most criticized book in the Bible, Genesis holds the keys to our understanding of creation, the origin of man, of sin and redemption, Satan, angels and demons, the Great Judgment Day, and so much else. This booklet delves into the mysteries of God that are packed into the first three chapters of this ancient book, helping the reader sort between fact and fantasy, truth and error. Many critics suggest that science and the Bible cannot co-exist, but here the author demonstrates that they cannot only co-exist, but rightly understood, they prove each other - both supporting the concept that all things are dependent upon intelligent design, and therefore, demand an intelligent designer - the most intelligent being in the cosmos - God Almighty.
