University of Arizona Press, Tucson, 2012. Softcover. Book Condition: New. Sun Tracks Edition Volume 70.. 272 pages. Softcover. New book. POETRY. Cell Traffic presents new poems and uncollected prose poetry along with selected work from award-winning poet Heid Erdrich's three previous poetry collections. Erdrich's new work reflects her continuing concerns with the tensions between science and tradition, between spirit and body. She finds surprising common ground while exploring indigenous experience in multifaceted ways: personal, familial, biological, and cultural. The title, Cell Traffic, suggests motion and Erdrich considers multiple movements—cellular transfer, the traffic of DNA through body parts and bones, "migration" through procreation, and the larger "movements" of indigenouness and ancestral inheritance. "Funny, sexy, rowdy, and surprising, these poems pretty much cover the entire human existence. She is an original. Buy this book now." — Sherman Alexie (Key Words: Poetry, Heid E. Erdrich, Dean Rader). book.
