Calhoun: Presenting a Condensed History of Political Events From 1811 to 1843 The object of the present memoir of John Caldwell Calhoun is not to present a biography of the man, but to describe him as a statesman; to draw and to develop his character in that capacity, and to trace his eminent public services during a long career in one of the most eventful periods of human history. To dwell on a character like his, distinguished by every trait that should win esteem and command admiration, would be to the biographer a most attractive labour; but the pleasure of depicting a private life elevated by spotless purity and integrity, and a severe simplicity of tastes and habits, must be relinquished - except so far as occasional reference to his early history may become necessary - for the higher duty of portraying his intellectual features, and of explaining his motives and conduct as a public man. It is not our aim to commend him to public affection, or to enlist popular sympathy in his behalf, but rather to show to the world, not for his sake, but for its own instruction, the deep influence of this master-mind upon the great political events of his age. A fair and impartial review of the career of this eminent statesman in connexion with public affairs, is necessary to a thorough understanding of the course of our own government for nearly two thirds of its existence. Such a review, it is believed, would be no unacceptable offering at the present time. Throughout the whole period from 1811 up to the present time he has served...
