This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject Psychology - Social Psychology, grade: 66, Nottingham Trent University, language: English, abstract: On 23 July 1993, at night, a group of men fired on a group of over 50 street children who were sleeping in the surrounding area of the Candelária Church, in Rio de Janeiro city centre. Five children and one young adult were killed almost immediately, three others were kidnapped with fatal consequences for two of them. The remaining survived a shot on his face as the gang had left him for dead. Taking in sum, seven children and one young adult were killed in this episode. However the disgrace for the survivors did not stop that night, it is believed that 39 out of the children who used to sleep in Candelária by that time have died in a violent way (Al, 2003). This butchery was carried out by death squads, which mainly involved members of the Military Police of Rio, that is, those who are supposed to protect the civilians. Its origin...

The ideal ebook I actually study. It usually does not expense too much. You won't really feel monotony at any time of your own time (that's what catalogs are for relating to should you request me).
