Art, Science, and Technology of Pharmaceutical Compounding (4th Revised edition)

By Loyd V. Allen

American Pharmacists Association. Paperback. Book Condition: new. BRAND NEW, Art, Science, and Technology of Pharmaceutical Compounding (4th Revised edition), Loyd V. Allen, The new 4th edition of The Art, Science, and Technology of Pharmaceutical Compounding presents in a logical and progressive format all the information that pharmacists and student pharmacists need to understand the purpose and processes of compounding. Author Loyd V. Allen Jr., the preeminent expert, covers basic guidelines, economic and technical factors that compounding pharmacists must consider, and all aspects of good manufacturing practices for compounded medications. Key Features: The initial chapters describe the requisite facilities and equipment, record keeping, calculations, and quality control. A new chapter emphasizes the importance of knowing the purity and form of all ingredients to ensure that the proper dose of a compounded product is delivered. Fourteen chapters are devoted to the compounding of each dosage form in turn, from powders and granules to injectables. Additional chapters cover veterinary compounding, compounding for special populations, compounding for specific procedures, compounding for clinical studies, compounding cosmetics, compounding with hazardous drugs, and compounding in the event of a natural disaster or terrorist attack. Nine appendices provide essential information on the compounding process and examples of standard...
