John Wiley Sons Inc, United States, 2016. Paperback. Book Condition: New. 6th Revised edition. 253 x 179 mm. Language: English . Brand New Book. Deep coverage and rigorous examination of international corporate finance Multinational Finance offers an advanced exploration of international corporate finance concepts and operations. Despite its status as one of the most rigorous texts on the topic, this book remains accessible and readable without sacrificing depth of coverage. Sidebars, key terms, essays, conceptual questions, and problems with solutions help aid in the learning process, while suggested readings and PowerPoint handouts reinforce the material and offer avenues for further exploration. This new sixth edition includes Excel templates that allow students to use real-world tools in a learning environment, and the modular structure facilitates course customization to individual objectives, interests, and preparatory level. The emphasis is on the basics of financial management, but coverage includes unique chapters on treasury management, asset pricing, hedging, options, and portfolio management in addition to traditional finance topics. International finance is a diverse field with myriad specialties and a vast array of possible interests. This book allows students to view the field through the lens of a financial manager with investment or financial options in more than one country to give them a practical feel for real-world application. * Understand the nature and operations of international corporate finance * Evaluate opportunities, costs, and risks of multinational operations * See beyond the numbers and terminology to the general principles at work * Learn the markets, currencies, taxation, capital structure, governance, and more Comprehensive, adaptable, and rigorously focused, this book gives students a solid foundation in international corporate finance, as well as a sound understanding of the tools and mechanics of the field. Designed for MBA and advanced undergraduate courses, Multinational Finance provides the deep coverage so...
