Bucolic Ecology: Virgil's Eclogues and the Environmental Literary Tradition (Paperback)

By Timothy Saunders

Bloomsbury Publishing PLC, United Kingdom, 2009. Paperback. Book Condition: New. 232 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Beginning in outer space and ending up among the atoms, Bucolic Ecology illustrates how these poems repeatedly turn to the natural world in order to define themselves and their place in the literary tradition. It argues that the Eclogues find there both a sequence of analogies for their own poetic processes and a map upon which can be located other landmarks in Greco-Roman literature. Unlike previous studies of this kind, Bucolic Ecology does not attribute to Virgil a predominantly Romantic conception of nature and its relationship to poetry, but by adopting such differing approaches to the physical world as astronomy, geography, topography, landscape and ecology, it offers an account of the Eclogues that emphasises their range and complexity and reaffirms their innovation and audacity.

Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

-- **Jaiden Konopelski**

This is an amazing publication i actually have at any time go through. It is actually rally interesting throgh reading through period. Its been developed in an exceptionally straightforward way which is merely following i finished reading through this publication where actually altered me, modify the way in my opinion.
