

Living in Portugal: Teach Yourself (Mixed media product)

Filesize: 6.66 MB

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.

(Prof. London Gerlach)

LIVING IN PORTUGAL: TEACH YOURSELF (MIXED MEDIA PRODUCT)

DOWNLOAD

Hodder Stoughton General Division, United Kingdom, 2011. Mixed media product. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. Looking for a guide to the practicalities of living in Portugal? Whether you need to know how to find a plumber, what the camara is there for or how to get permission to renovate, this practical illustrated book is for you. And its accompanying CD gives you all the language skills you need to communicate with the locals. It is difficult to quantify how many Brits are currently looking to buy a second home in Portugal, but judging by the number of television programmes featuring people hoping to move to Italy either permanently or to buy a holiday home there, the number must be significant. Every home owner has to go through the process of searching for property and buying it; most new and existing owners will be renovating or redecorating at some point and this will involve dealing with tradesmen and/or suppliers. For this, these homebuyers will need to understand at least the basics of Portuguese property law, house construction, building, plumbing, electrical systems etc, and they need to know not only the words but how the systems work. Living in Portugal gives the explanations and vocabulary for each aspect of finding, buying, renovating and living in a house in Portugal. In addition to approximately 120 labelled illustrations, the book has a CD which gives the pronunciation and practice of the necessary vocabulary.
