## TREASURE HUNTERS HANDBOOK

Down East Books. Hardcover. Book Condition: New. Hardcover. 96 pages. The Treasure Hunters Handbook is for kids and families who love to explore the world around them. This book highlights the appeal of treasure hunting as a fun family activity that encourages kids to get outside. Parents and educators are concerned about childrens rapidly increasing screen time and books that get kids in nature are very popular. The book also seizes on the popularity and market success of pirates, for who hasnt seen a young child wearing an eye patch hoisting a Jolly Roger flag. Books on pirates are constantly in circulation at the library but I have yet to find a book on treasure hunting for kids. I also feel that expanding the typical pirate booty concept into something more productive and educational will appeal to parents, grandparents, and educators. Although not an exclusive Maine book, all of the activities will be field tested in Maine. Just as fairy houses can be built anywhere, kids can hunt for treasure even in their own backyards, allowing for wide accessibility and the making of a great gift book. The book will cover the following topics: Myths and legends of buried pirate treasure: This section will share some of the stories such as Captain Kidds loot on Jewell Island and Pirate Ned Lowes treasure captured from a Spanish galleon and dropped in the middle of the pond on Pond Island. Panning for gold: Building on C. J. Stevens book, The Next Bend in the River: Gold Mining in Maine, and the allure of the Gold Rush, panning for gold is making a comeback and is a great activity for kids. Mining for minerals and gemstones: We Walk on Jewels: Treasure Hunting in Maine for Gems and Minerals by Jean Blakemore describes in...
