By Michael E Cromer

Tate Publishing Enterprises, United States, 2008. Paperback.
Book Condition: New. 226 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.December was here, and Christmas was coming, but Wilson was not. What happens when a baby decides it isn't quite ready to enter this big, scary world and instead stays inside its mother's belly? Author Michael Cromer brings this idea to life in Wilson's Christmas, a story of hope in new life and in the Creator of Life, at Christmastime. A story for all seasons of the year, Wilson's Christmas will warm the hearts of young and old as they watch their Divine Creator work through the miracle of childbirth. Sometimes God gives us a story that has a profound message for our time, a story of hope for our troubled world that tells us how much God loves us. Wilson's Christmas is one such story. This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.
