

A Sanskrit Reader: Text And Vocabulary And Notes (Hard Cover)

By Charles Rockwell Lanman

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 2008. Hardcover. Book Condition: New. Reprint. The Reader is designed to serve as an introduction to the subject for the students and to provide knowledge of Sanskrit to the teachers of high schools, academies and colleges. The work helps to correct some of the false notions, which are prevalent respecting the relations of Sanskrit to other languages of the Indo-European family. It also keeps to save the literature from undue depreciation and from exaggerated praise. The author has made selections from various Sanskrit writings keeping two aims in mind: firstly to provide abundant material for thorough drill in the language of classical period; and secondly, to furnish a brief introduction to the works of the Vedic period, Mantra, Brahmana and Sutra best suited for beginners.

Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

-- Prof. Flo Cruickshank DDS

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

-- Prof. Martine Lesch
