Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. It had been a hard winter along the slopes of the Great Smoky Mountains, and still the towering treeless domes were covered with snow, and the vagrant winds were abroad, rioting among the clifty heights where they held their tryst, or raiding down into the sheltered depths of the Cove, where they seldom intruded. Nevertheless, on this turbulent rush was borne in the fair spring of the year. The fragrance of the budding wild-cherry was to be discerned amidst the keen slanting javelins of the rain. A cognition of the renewal and the expanding of the forces of nature pervaded the senses as distinctly as if one might hear the grass growing, or feel along the chill currents of the air the vernal pulses thrill. Night after night in the rifts of the breaking clouds close to the horizon was glimpsed the stately sidereal Virgo, prefiguring and promising the harvest, holding in her hand a gleaming ear of corn. But it was not the constellation which the tumultuous torrent at the mountain s base reflected in a starry glitter. From the hill-side above a light cast its broken image among the ripples, as it shone for an instant through the bosky laurel, white, stellar, splendid-only a tallow dip suddenly placed in the window of a log-cabin, and as suddenly withdrawn.
